

Officer Trustee Report

Who is making the report: Tasawar Khurshid, Vice President Regents and LTS
Date of this Report: September/October
Date of last Report: N/A

What key actions have you taken to progress your officer goals since the last meeting?

This is the first report that I am presenting. In that instance I shall write about some officer goals I have achieved from September.

My personal highlight has been attaining space for the Students Union in the Little Titchfield Cafeteria area. I work in the library study rooms every two weeks for two hours, and allow students to chat with me one on one. All part of SU presence in LTS.

I have co-hosted an event on Brexit and Racism with the DPIR department, which saw various angles of the wider debate from some quality external speakers.

I have been working on the planning of the 'We are Westminster' programme which shall run in the first two weeks of November. This includes a strategy which shall ensure students to experience cross campus activities.

I wrote to Mark Field, MP for Westminster and cities about the teaching excellence framework, leading to a meeting with Mark Field along with VP Harrow and VP Cavendish whereby we discussed Brexit and international students.

I have been working on library related issues with the manager of LTS library, issues such as consent and student campaigns.
